# *Welcome*

to Friends of Mondavi Center

Friends of Mondavi Center are donors who are also active volunteers. They assist with education, outreach, audience enrichment and fundraising. Friends raise thousands of dollars and contribute thousands of hours each year to support the Mondavi Center presenting program.

As a member of Friends, you have the opportunity to work and socialize with individuals who share an interest in the performing arts. Friends are extensively involved in the “behind the scenes” work of the Mondavi Center.

Friends have the opportunity to participate in the many areas where volunteers are needed. Those areas are outlined in this handbook.

## Friends' Mission Statement

3. Attend performances and encourage others to do so.

## General Information

- There is an annual meeting. It includes a short business meeting and a special program.
- The Friends Executive Board meets once a month.
- A membership roster is issued to all members on an annual basis.
- A newsletter is issued quarterly and includes reports on the committees' activities, details on upcoming events, and special articles about Friends activities and personality profiles.
- Standing committee chairs serve in one position on the Board for one to three years.

- In early spring, the old and new Board members meet to plan the activities for the coming year. Spotlight programs, Friends receptions, pre-matinee classroom talks, and fundraising events in particular require early planning.

## Standing Committees and their Responsibilities

In order to carry out the Friends' mission, there are seven standing committees:

- **Audience Enrichment**
- **Gift Shop**
- **School Matinee Support**
- **Mondavi Center Tours**
- **School Outreach**
- **Friends Events**
- **Membership**

The Executive Board consists of the chairs of these committees and the officers (President, Vice President/Membership, and Secretary). The Director of Arts Education at Mondavi Center serves as the ex-officio representative of the Chancellor.

Several sub-committees are chaired by members who report to the board. They are: Ad Hoc Mondavi Center Event Support, Spotlight Series, Usher Scheduling, Docent Guide Writers, Pre-matinee Classroom Talk Schedulers and Artist Transportation.

Each committee has certain responsibilities which contribute to our mission. The following is a general overview:

**Audience Enrichment** assists the Mondavi Center Public Relations Coordinator with outreach activities that occur on campus and throughout the greater community. These activities might involve disseminating materials or participating in community events as a representative of the Mondavi Center. Selected members of the committee will be trained by the Mondavi Center Staff so they can support and guide members of the media when covering events at the Center.

The **Gift Shop** is managed by an ex-officio member of the board. Volunteers work in the gift shop for Jackson Hall performances.

**School Matinee Support** trains and schedules ushers for school matinees. Writes docent guides. Trains and schedules docent visits to the classes attending a school matinee.

**Mondavi Center Tours** trains tour guides and schedules tours for the Mondavi Center.

**School Outreach** visits schools and administers the School Matinee Ticket Program. A subcommittee provides transportation for visiting artist master classes.

### **Friends Events**

Plans and implements annual events such as the Brunch and Browse and the Holiday Luncheon, two traditional events that raise funds for the Friends' School Matinee Ticket Program.

**Membership** welcomes new and prospective members to Friends. New and recent members—and all interested Friends—are encouraged to participate in the planning and implementation of new and prospective member events. These fun and informal gatherings are held throughout the season providing the opportunity to help build connections within the organization and the Mondavi Center.

## History of Friends

In October 1988, a volunteer support group for UC Davis Presents was formed and named the **Friends Guild**. By-laws were written and submitted to the Cal Aggie Foundation on May 4, 1990. The executive board at this time consisted of co-chairs, a vice-chair, a secretary, three directors, a member of the UC Davis Presents staff, and a Chancellor's representative appointee.

In 1991, the participants decided to change the name to the **Friends of UC Davis Presents** and to structure the executive board in its present form: president, vice-president, secretary, standing committee chairs and the Chancellor's ex-officio representative.

The Friends became the **Friends of Mondavi Center** in 2002 to reflect the new name of the presenting program.
