### Pre-Matinee Classroom Talks

## 2011-2012

We encourage teachers to take advantage of this wonderful opportunity for students to learn more about the school matinee they will be attending at the **Robert and Margrit Mondavi Center for the Performing Arts, UC Davis.**

Each season, **Friends of Mondavi Center** offer a thirty-minute docent visit to classrooms prior to several matinee performances. The docent visit is designed to be an enjoyable and informative talk on the matinee art form (music, dance, theatre, etc.), the artists' background, and tips on what to look for during the performance. The *free* talk takes place in your classroom and will be arranged to fit your schedule. Requests for docent visits are accepted up to two weeks before the performance.
